AMENDMENT

ASSISTANT COMMISSIONER FOR PATENTS
WASHINGTON, D.C. 20231

SIR:

Responsive to the Official Action mailed September 6, 2001, please amend the above-identified patent application as follows:

IN THE CLAIMS

Please amend Claims 1, 11-15, and 22 to read as follows:

1. (Amended) A projection display apparatus that carries out processing with information stored in a portable memory, comprising:
- a memory controller configured to read out the information stored in the portable memory, the information including at least one image data representing a presentation sheet prepared in advance by a user of the projection display apparatus;
 - an image processing section configured to prepare display image data by using the image data stored in the portable memory according to an instruction of a processing program
